AXA Gulf Insurance

With a workforce of over 850 employees, 31 branches region-wide, more than 1 million customers and 2013 gross written premium of over US$ 771 million. Present in the region for more than 60 years , AXA is one of the largest international non-life players in the GCC offering a wide range of insurance products and services for corporate and individual customers.

Our business is to protect people over the long term. We emphasis on designing reliable solutions to meet the needs of our customers, manage risks in a professional way, treat our partners fairly, develop a work environment built on strong values, relationship and trust.

 We also believe that we have a role to play in protecting the environment, supporting the communities in which we operate, and more broadly in helping to create stronger and more sustainable societies. This is part of creating a sustainable, long-term business, and becoming the preferred company for our customers, employees, and other stakeholders.

AXA in the Gulf was recently awarded Insurer of the Year for the 5th consecutive year and Personal Lines insurer in 2014 at the MENA Insurance Awards and best Motor insurance product by the Banker Middle East in both UAE and KSA.
