

BECO

BECO Capital is a venture capital firm based in Dubai, focusing on the MENA region. The BECO team leverages their unique blend of entrepreneurial and investment expertise to dispense its secret sauce of providing capital and operational mentorship through the early growth stages faced by budding entrepreneurs. BECO targets investments in technology companies at the seed through to growth stages of development and has backed companies such as Propertyfinder and Roundmenu, all the while continuing to find and fund the next technology Titans of the region.

The BECO Mission: We will provide talented entrepreneurs with capital and mentorship in order to **accelerate growth**, create jobs, **opportunities**, success, **wealth** and role models in our society

The BECO Values: Integrity, Learning, Be Pivotal, Win-win, Dream team
