

## **Brahim Benabdeslem**

### **Managing Director of MDI-Business School, Algeria**

Brahim Benabdeslem is the Managing Director of MDI-Business School ([www.mdi-alger.com](http://www.mdi-alger.com)), an institute of higher education in management.

He -as such- had initiated several research and teaching partnerships with universities and major European schools of management.

Expert for the SME National Advisory Council (NAC-SME) Brahim Benabdeslem is the “Club Management Excellence” founder (1998), a meeting and debate space for business leaders (a membership of over 120 business owners).

As a member of the Business Leaders Executive Forum dealing with economic issues, he was put in charge of chairing the 10th Arab Businessmen Congress organizing committee held in Algiers in November 2008.

Married, father of two children, Brahim Benabdeslem holds a third cycle degree in Management from the University of Algiers.
