

Khaled Al Huraimel

Group Chief Executive Officer

Bee'ah, UAE

Khaled Al Huraimel is the Group Chief Executive Officer of Bee'ah. Al Huraimel oversees the company's day-to-day operations and maximises the efficiency of projects by ensuring close cooperation and communication between different departments. He helps Bee'ah operate at the forefront of the environmental industry both regionally and internationally while his strategic planning helps strengthen the company's environmental achievements, growth and profitability.

Before joining Bee'ah, Al Huraimel was one of the founders and CEO of Arabian Global Investments LLC (AGI), a UAE-based investments company founded in 2007 to invest in emerging real estate opportunities.

In 2005, Al Huraimel took on the role as Chief Operating Officer of Dubai Waterfront at Nakheel, a large-scale project that occupies a last undeveloped sea-facing land in Dubai that's twice the size of Hong Kong. Being entirely responsible for the project, Al Huraimel played a key role in its development and worked closely with the project's master planners, consultants, major investors and developers. In his role with Nakheel, he was responsible for launching Madinat Al Arab at the Dubai Waterfront, a development that made Dubai history when it was sold for AED 13 billion in just five days.

Previously, Al Huraimel held the position of Senior Manager of Sales & Marketing at ENOC International Sales in 1998, a subsidiary of Emirates National Oil Company where, he expanded ENOC's international sales network to over 20 countries.

Al Huraimel holds a Bachelor of Science (Honours) in Marketing from King Fahd University in the Kingdom of Saudi Arabia, as well as an MBA from the University of Bradford in the United Kingdom. He is also a graduate from the first batch of students to study at the prestigious Dubai Leaders Programme at Wharton Business School in Pennsylvania, United States of America.
