

**Mr. Moiedin Thumbay, President, Thumbay Group & Chairman of the Board of Trustees, Gulf Medical University**

A man of vision and dynamism, with a determination to succeed. Thumbay Moideen is recognized in India and beyond, for the various achievements to his credit.

Born on 23rd March, 1957, mangalorean by birth, Mr. Moideen, a third generation entrepreneur was raised in a traditional family with a business background. Today, his name is synonymous with professionalism and positive approach. Taking to business at the tender age of 21 years, he demonstrated his business acumen from the very start.

Mr. Moideen handled the mantle of the large business house established by his father Mr. Ahamed Hajee Mohiudeen. His father's and grandfather Mr. Yenepoya Moideen Kunhi's inspiration enabled him to grow and expand the business, taking it to new heights within a few years.

In the year 1998, Mr. Moideen established the THUMBAY Group, U.A.E. Under his dynamic leadership it went on to achieve tremendous growth, and in the process, provided a means of livelihood to hundreds of families over the last decade. The Thumbay Group has since ventured into Health Education, Healthcare, Medical Research, Diagnostics, Retail Pharmacy, Health Communications, Information Technology, Retail Opticals, Wellness, Hospitality and Real Estate.
